

EXPAT ACADEMY

GLOBAL HEADS MEMBERSHIP

BENEFITS 2026

Expat Academy's exclusive, 'by invitation only' network is dedicated to bringing together the most accomplished Global Mobility leaders. We create a platform for intimate, strategic discussions on the challenges we collectively face. Our vendor-free virtual meetings occur at varying times, allowing leaders from around the world to connect frequently and build meaningful relationships.

Our network is designed for experienced in-house Global Mobility heads, ensuring a high level of expertise and experience. Expat Academy facilitates these gatherings, maintaining strict anti-trust compliance and ensuring a vendor-free environment.

Who Can Join?

- Global Mobility professionals with over 10 years' experience
- Leading global teams across diverse locations
- Recognised for strategic vision and technical expertise
- Strong passion for advancing the field of Global Mobility

Benefits of Joining:

- **Exclusive Access:** Membership provides exclusive access to Global Heads sessions at Expat Academy events, offering you an opportunity to engage with other top professionals in the field
- **Strategic Relationship Building:** Build meaningful relationships with fellow leaders and engage in idea exchange to stay at the forefront of industry developments.
- **Virtual Roundtables:** Participate in virtual roundtables that facilitate deeper conversations and provide insights on pressing industry topics.
- **Additional In-Person events in London:** Join us in person, including informal dinners to network and connect in a relaxed and welcoming setting.
- **Benchmarking:** Accessed via the member-only portal, get input from the network, and comply with anti-trust rules.

Take your leadership to the next level!

The Global Heads of Mobility Network bolt-on fee: £1045 + VAT per annum

"I view the Global Heads' Network as an essential rather than a nice-to-have part of my EA membership. I benefit immensely from the opportunity to collaborate with peers inside and outside my industry as we look beyond the horizon. On top of the deep collective experience, there is real a sense of community within the network." **John Kerr - Head of Global Mobility, Pinsent Masons LLP**
