Global Mobility Crisis Support

Understanding the impact on your people during this challenging time, ensuring safety, business continuity and compliance.

PwC Emergency support - at no charge

PwC is able to provide crisis support and mobility planning to support mobility professionals with:

- **Real-time updates** on European and Global border restrictions, taking account live information
- **Impact assessments** – outlining key risks for the region and advising on practical next steps
- **Support desk services** - Emergency support to provide country specific advice
- **Complex scenario planning** – Ensuring your most impacted population are ready to mobilise once the situation has eased
- **Access up-to-date immigration information** for your impacted employees

Email uk_myatlas@pwc.com
